## Reference: Students travelling to Ireland/Bosnia Match

Dear parent,

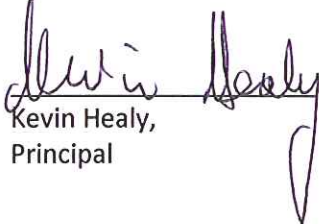

Your son has paid €10 to purchase a ticket for the International soccer match between Ireland and Bosnia in Dublin on Monday 16th November.

Students will leave CPB by bus at 12:15AM and will return to the fire station on the square in Bantry. Cremin Coaches are providing transport at a discounted price of €20 return. This fee will be collected before departure on Monday. We estimate that each leg of the journey could take up to five hours including a mandatory 45min rest stop in Cashel for the bus driver (students can buy food etc at the service station as well). It is vital that students have access to a mobile phone and that they ensure that the phone has enough battery life to keep you informed in case the match goes to extra time or in case of an unexpected delay.

Students must ensure that they are present for school roll call during first class on Monday and are wearing their full uniform. Students can store their school bags securely overnight in school. We will ask students to change into their match clothes at 12:15PM and to bring their uniforms in a gear bag on the bus. They will then be able to wear their uniforms and collect their bags on returning to school.

Parents are asked to make arrangements to collect students on return to Bantry and to ensure that they can be contacted if needed. Please be aware that, as well as the possibility of delays leaving after the game, the match could go to extra time and penalties. This means that the estimated time of 3AM for returning could change. We will provide updates throughout the trip CPBSports Twitter account.

Kind regards,

  
Kevin Healy,  
Principal
