12<sup>th</sup> May 2020

Dear Parent/Guardian,

I hope you and your family are keeping well during this challenging time.

As you are aware the timetable for summer exams was uploaded to the school website yesterday. Exams begin next Monday, 18<sup>th</sup> May. Subjects not timetabled for exam are being set an assignment by their teacher. Please note the following:

- Teachers will outline the format of their exams on Edmodo prior to their exam.
- Exams will be uploaded to Edmodo as per the timetable.
- Completed exams to be returned/submitted by the student once the exam time has elapsed. Please ensure you check your timetable in advance regarding the duration of each exam.

This week I would ask that parents/guardians would:

- a. Check that your child can log into the Edmodo Class group
- b. Check that your child can see messages from the teachers
- c. Check that your child can upload work

In the event that a student is unable to submit or upload the work due to connectivity issues, please be advised that they can email the completed exam to [cpb@corketb.ie](mailto:cpb@corketb.ie) . In the email please include the following information:

- Student Name
- Teacher Name
- Class Group

The office will then forward this email to the teacher.

If you are currently experience any wifi/technology issues please contact the office as soon as possible so that an alternative plan can be put in place.

Your co-operation and support on this matter is greatly appreciated.

Kind regards and take care,

Kevin Healy,

Principal
