8<sup>th</sup> November 2021

Dear Parent/ Guardian,

I hope you and your family are keeping well in these unprecedented times. You are now at a stage where you are considering your child's Post-Primary education, a very important one as secondary school is where they meet the challenges of adolescence as they mature from child to adult. Here at Colaiste Pobail Bheanntairi, we had intended to hold an 'Open Evening' on November 18<sup>th</sup>, for incoming First Years in September 2022 but unfortunately we cannot do this under current Cork ETB guidelines re Covid.

There is a two -step process in applying to a Cork ETB school:

1. Completion of an application to enrol form.
2. Completion of the school registration form once your application has been accepted. Once this process is complete, we will then ask you to make subject choices for your son/daughter early in the new year.

I am hopeful that in the new Year we can invite prospective students and their parents to visit the school, either as a whole or in smaller groups. This will allow you and your child to see our superb facilities, receive information about subjects we have to offer along with other school activities and most importantly to ask questions.

In the meantime, I invite you to complete the first part of this application process, complete the enclosed 'Application to Enrol' form and return to Colaiste Pobail Bheanntairi by Friday, November 19<sup>th</sup> 2021. Once we have this application, we will be in contact re a school visit and registration.

I look forward to hearing from you.

Kind regards,

Marian Carey

Principal
