## Child Protection Policy of Coláiste Pobail Bheanntíraí 2016/2017

The Board of Management recognises that child protection and welfare considerations permeate all aspects of school life and must be reflected in all of the school's policies, practices and activities. Accordingly, in accordance with the requirements of the Department of Education and Skills' *Child Protection Procedures for Primary and Post Primary Schools*, the Board of Management of Coláiste Pobail Bheanntíraí has agreed the following child protection policy:

1. The Board of Management has adopted and will implement fully and without modification the Department's *Child Protection Procedures for Primary and Post Primary Schools* as part of this overall child protection policy.
2. The Designated Liaison Person (DLP) is the Principal, Dr Kevin Healy
3. The Deputy Designated Liaison Person (Deputy DLP) is the Deputy Principal, Mr Denis O' Sullivan
4. In its policies, practices and activities, Coláiste Pobail Bheanntíraí will adhere to the following principles of best practice in child protection and welfare:  
The school will
  - recognise that the protection and welfare of children is of paramount importance, regardless of all other considerations;
  - fully co-operate with the relevant statutory authorities in relation to child protection and welfare matters
  - adopt safe practices to minimise the possibility of harm or accidents happening to children and protect workers from the necessity to take unnecessary risks that may leave themselves open to accusations of abuse or neglect;
  - develop a practice of openness with parents and encourage parental involvement in the education of their children; and
  - fully respect confidentiality requirements in dealing with child protection matters.
 The school will also adhere to the above principles in relation to any adult pupil with a special vulnerability.
5. The following list of school policies, practices and activities, though not exhaustive, are particularly relevant to child protection: the Code of Behaviour, Student supervision, Anti-bullying, Pupil Attendance Strategy, Pastoral Care, Extra-Curricular and the Special Educational Needs policy. The Board has ensured that the necessary policies and practices, as appropriate, are in place in respect of the above listed items.
6. This policy has been made available to school personnel and to the Parents' Association, when formed, and is readily accessible to parents on request. A copy of this policy will be made available to the Department and the Trustees if requested.
7. This policy will be reviewed by the Board of Management once in every school year.

This policy was adopted by the Board of Management on 30<sup>th</sup> September 2016.
